Re: GN Docket No. 00-185 and CS Docket No. 02-52

Inquiry Concerning High-speed Access to the Internet Over Cable and Other Facilities
and Appropriate Regulatory Treatment for Broadband Access to the Internet Over Cable

Dear Ms. Dortch:

On March 26, 2003, John Scheibel of Yahoo! and I met with Matt Brill and Stacy Robinson of Commissioner Abernathy's office to discuss the above-captioned proceeding. We discussed possible means to ensure that consumers have non-discriminatory access to Internet content free from externally imposed technological or economic impediments. We discussed potential problems relating to such discrimination, potential solutions, and the legal basis on which the Commission could implement such solutions.

Sincerely,

Riley K. Temple
